of the four Quarters of the Year; excellent
Notes of Husbandry and Gardning, for

pany of Stationers. 1671.

Rules concerning Husbandry.

When you would plant or graft, consider where the wind bloweth: if it be in the South, it is very good for that purpose, but if it be the North or East, it is not good.

It is good to plant or graft generally the Moon increasing in these signs, Taurus or Aquarius in the beginning of the Spring, or latter end of Winter.

Plant trees for continuance, when the Moon is Taurus, Leo, or Aquarius.

Cut timber to have it sound, in December, or January in the wane of the Moon in Aquarius or Pisces.

Prune trees and pull off the moss in the month January.

Plash hedges and lop trees for fuel, that the trees may the sooner grow again, when the Moon is in Aries or Libra, and in her increase.

Set young quick-sets, from September to March.

Remove young trees in the last quarter of the Moon, when she is in Aries, Libra, Scorpio: and in the months, September, November, February.

Set vines in February, March, or September, especially the Moon in Aries, Libra, Scorpio, in her increase.

Set Rose-trees in the midst of February, when the Moon increaseth.

Cut or prune trees in March or April, the Moon in Taurus, Virgo, or Capricorn.

Gather fruit, as Apples, Pears, and the like, at the full of the Moon, in the afternoon, the weather being fair and dry.

Cut down hay presently after the full of the Moon. Tung ground to prevent the growing of weeds the Moon decreasing.

Sow Carrot-seeds about the end of February or the beginning of March, the Moon increasing.

Sow Onions and Leeks in February or March, the wane of the Moon.

Sow Cucumbers and Melons in February, March, or June, in a hot and a fair day.

December.

At this and the next moneth, cut down Timber in the last quarter of the Moon, uncover the roots of fruit-trees, set Beans and Pease, cover all your best flowers and herbs from frosts and storms, with old rotten horse-dung, look well to your cattel, water and keep moist your meadows, let horses blood, and to conclude, drink good Wine and strong drink, keep thy body warm clad, thy house warm and dry, banish all cares from thy heart, and feast thy poor neighbours, rejoicing that God sent his only begotten Son about this time into the world, to save all such that lay hold on him with a true and lively faith.
